Help with the one thing that's become risky.

Most families don't need many hours of care to start. They need help with bathing — the most private, most dangerous activity in the home.

- ✓ **Dementia-trained CHC caregiver** — same person each week whenever possible
- ✓ **Bathing, dressing, grooming** as needed, with dignity preserved
- ✓ **Brief home safety scan** and written observation shared with your family
- ✓ **Care & Communication Plan** built within 30 days — included
- ✓ **Free 15-minute phone consultation** before you book
